

Calgary Adult Bariatric Surgery Clinic Newsletter

<https://obesitycanada.ca>

UPDATE:

Some of our staff members are still partially or fully redeployed to other areas within Alberta Health Services due to the COVID-19 pandemic.

Our clinic has not resumed normal operations due to limited staff and other restrictions we continue to work through as a result of COVID-19.

Appointments and classes are being offered however, we have a long waitlist and the volume of patients we are able to move through the clinic is minimal.

We appreciate your patience during this time.

If your contact information has changed (home address, phone number, e-mail address, etc.) please notify us at your next appointment or by calling 403-955-8088.

Scooter available!

Monday to Friday;
7:30 am – 4:00 pm.

A scooter with a 400 pound limit is available on a first come first serve basis. You may sign it out at the admitting desk on the main level of Richmond Road Diagnostic & Treatment

For the most up to date developments related to the Calgary Adult Bariatric Surgery Clinic during the COVID-19 pandemic, please refer to the clinic website: www.calgarybariatric.ca > COVID-19 page.

Being Prepared for Virtual Appointments:

Please have the following information available prior to the start of your appointment.

- 1) ***Your Health Care Card & Photo ID.***
- 2) ***Medication & Vitamin names & doses to review with your clinician.***
- 3) ***Paper and pen or pencil so you can write down the goals agreed upon with your clinician as well as other important information such as future appointment date and time.***
- 4) ***Your food record.***
- 5) ***Have lab work completed if required. Alberta Precision Laboratories is booking 4+ weeks out.***
- 6) ***12 Month Post Op appointments.*** Fill out the screening tools found on www.calgarybariatric.ca; additional resources tab; screening tools section. Send in the completed screening tools prior to your appointment by mail, fax 403-955-8634 or email: cal.bar@ahs.ca.

We are Scent Free!

Help us keep the air we share healthy and scent free. Please avoid wearing scented products such as: perfume, scented hair sprays and body lotions when visiting Alberta Health Services sites for appointments.

Thank you for your cooperation!

No scents makes good

VIRTUAL CLASSES

Call 403.955.8088 to register. A link to attend the class will be emailed to you 2 days before the class.

Improve Your Relationship with Food:

This 4 week virtual class will provide education and support to help you improve your relationship with food so you can better manage your weight. This group will be limited to participants willing to make a commitment to attend all 4 sessions. Occasional cancellations due to illness or unexpected events are accepted, however, you **MUST** attend the first class.

Session A: September 8, 15, 22 & 29; Tuesday afternoons 1:00 to 3:00 pm

Session B: September 18, 25 & October 2 & 9; Friday mornings 10:00 am to noon

Session C: October 6, 13, 20 & 27; Tuesday afternoons 1:00 to 3:00 pm

Session D: October 16, 23, 30 & November 6; Friday mornings 10:00 am to noon

Managing Changes in Body Image:

This class offers a chance to discuss changes in body image. It will also provide ideas on how to maintain a positive body image while on your weight management journey. This class is intended for post-surgery patients.

Date/Time: Monday, September 28 from 10:00 am – noon

9 Month Post Surgery Follow-up:

A group follow-up appointment offered to patients at around 9 months post-surgery.

Date/Time: Wednesday, October 28 from 2:00 – 4:00 pm

Virtual Appointment Tips:

If you choose to have a virtual appointment with a member of our team the platform we currently use is Zoom. Below are a few tips to help you.

- 1) **Your Device:** Once you have set up your device, please do not move it around during the session as it creates distraction.
- 2) **Privacy:** By signing into a zoom meeting you are giving consent. Choose a private location for your Zoom session. Headphones are ideal to ensure as much privacy as possible.
- 3) **Muting:** Keep your audio muted except when speaking. The group host may mute group members as a way to allow all group members to take turns speaking.
- 4) **Dress:** Please dress as if you were coming to the Calgary Adult Bariatric Surgery Clinic in person.
- 5) **Other activities:** Your Zoom class is important and we would like your undivided attention. Please do not engage in any distracting activities for example: eating, checking email, watering plants, cooking, etc.

Lab Work:

Alberta Precision Laboratories (Calgary Lab Services) is currently booking 4+ weeks out.

6 Month Post-op:

Blood work - Our medical lead recommends having your six month post-op blood work completed. If you have concerns, discuss this with your health care team at your upcoming appointment.

Food Records:

It is important for your dietitian to review your food record at your virtual (phone or Zoom) appointment. If you keep a food record with paper and pencil, email a copy to your dietitian the day before your appointment. If you use an app for your food record, make sure your dietitian has access. If you have any questions about your food record, connect with your dietitian directly.
